Guidelines for Demolition of Structures

Acceptable demolition materials are:

- Untreated Wood
- Concrete, Brick, Bituminous
- Ceramic bath fixtures
- Asphalt Shingles (Discounted Rate if clean)
- Insulation
- Siding
- Sheetrock and Plaster
- Window glass and any inert material.

The following items must be removed from any structure before demolition begins:

- All major appliances – TV's, Radios, Microwaves, Range, Refrigerators, Washer, Dryer, Water Softener, Stereo, Computers, Freezers, Furnace, etc.
- Furniture – couch, chairs, beds, mattresses, dressers, tables, etc
- Clothing, draperies, bedding, linen, toys etc.
- Food – canned, frozen, processed – special note all food must be removed from refrigerators and freezers.
- Any items that are not part of the structure itself.
- Household hazardous waste – paints, solvents, cleaners, combustibles, etc.

All removed items must be handled either as scrap metal, appliances or waste, i.e. garbage. The transfer stations have separate areas for scrap metal/appliances, household hazardous waste, electronics, and all other waste must go as mixed solid waste inside the transfer station.

Josh Holte, Administrator • Dana Rustad, Administrative Coordinator • Janelle Pedersen, Landfill Supervisor
